

# Longhorn Council First Aid Training Courses 2018

Beginning again in January of 2018 and in partnership with ECSI (Emergency Care and Safety Institute), Longhorn Council is sponsoring First Aid Training at the Longhorn Activity Center, 5350 Basswood Boulevard, Fort Worth. ECSI training courses were developed in association with the American Academy of Orthopedic Surgeons and the American College of Emergency Physicians.

Each Wilderness First Aid attendee will receive one \$50 off coupon for a 2018 LHC summer camp. The coupon must be redeemed within one year and used only at camp by any adult of the attendee's unit.

For your convenience, you may stay overnight in the Activity Center or in a tent out back. Bring your own cot or air mattress and bedding. There is a shower in the back of each bathroom. *(Be prepared to share if there is a Troop doing a program lock-in on Saturday night.)*

CPR/AED and Standard First Aid are offered in conjunction with (as part of) the Wilderness First Aid classes. Times noted are 'real time,' not 'Boy Scout' time, so please be punctual.
